SECTION 1 - INTRODUCTION

This directory provides a list of Sutter Advantage (HMO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. There are several types of providers that may serve as your PCP, and these include: Family Practice, General Practice and Internal Medicine. The term “PCP” will be used throughout this directory.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. However, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. If you require medical care beyond the scope of your PCP, the PCP will coordinate with providers most appropriate to render the medical treatment. It is important to note that the PCP belongs to a network. The PCP has certain network specialists and hospitals that they use for coordinated specialty, diagnostic and hospital medical care. The specialist and hospitals that the PCP may refer you to will be within the PCP network affiliation.

If you use non-plan providers, you may have to pay more.

There may be times when you get a bill from a non-plan provider for the full cost of medical care you received. If this happens, you should send us the bill along with any documentation of any payment you have made for consideration. Mail your request for payment

together with any bills and receipts to:

Alignment Health Plan
Attn: Member Services Department
1100 W. Town and Country Rd., Suite 300
Orange, CA 92868

If we decide that the medical care is not covered, or you did not follow all the rules, we will not pay for our share of the cost. Instead, we will send you a letter that explains the reasons why we are not sending the payment you have requested and your rights to appeal the decision.

You must use network providers except in an emergency, urgent care situations. A medical emergency can include severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting worse. When you have a medical emergency, you believe that your health is in serious danger. You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan’s service area or when network providers are unavailable. If you obtain routine care from out-of-network providers, neither Medicare nor Alignment Health Plan will be responsible for the costs.

The directory lists physicians, hospitals, skilled nursing facilities and other providers that are included in Sutter Advantage (HMO) network. Your care is directed by your physician and they may not admit to all network hospitals or skilled nursing facilities, or they may not refer to all network providers. Always confirm the participation status of the physicians, facilities and providers before receiving services. If there are specific hospitals, skilled nursing facilities or other providers you would like to access, please call Alignment Health Plan, Member Services to determine your physician’s network affiliation.

INTRODUCCIÓN

Este directorio le proporciona una lista de proveedores de la red de Sutter Advantage (HMO). Para obtener información detallada sobre sus servicios de cuidado médico, consulte su Evidencia de Cobertura.

Usted deberá elegir uno de los proveedores de nuestra red que se mencionan en la lista de este directorio, para que sea su **Proveedor/Médico de Cuidado Primario** (PCP, por sus siglas en inglés). Hay varios tipos de proveedores que pueden servir como su PCP, y estos incluyen: práctica familiar, práctica general y medicina interna. En general, usted debe recibir sus servicios de cuidado médico por parte de su PCP. El término “PCP” se utilizará varias veces en este directorio.

Los “proveedores de la red” que se incluyen en este directorio aceptaron brindarle sus servicios de cuidado médico. Usted puede acudir a cualquiera de los proveedores de nuestra red que aparecen en este directorio; sin embargo, algunos servicios pueden requerir una referencia. Si usted estaba visitando a un proveedor de la red anteriormente, no es necesario que continúe visitando a ese mismo proveedor. En algunos casos, podrá recibir servicios que estén cubiertos por parte de proveedores fuera de la red. Si usted requiere atención médica más allá del alcance de su PCP, el PCP coordinará con los proveedores más apropiados para proveer el tratamiento médico. Es importante tener en cuenta que el PCP pertenece a una red. El PCP tiene especialistas y hospitales determinados que utilizan para coordinar la especialidad, el diagnóstico y la atención médica de los hospitales. El especialista y los hospitales a los que el PCP puede referirle estarán dentro de la afiliación de la red del PCP.

Si usted utiliza proveedores fuera de la red, quizás tenga que pagar más por los servicios.

Existen circunstancias en las que puede recibir una factura de cobro de un proveedor fuera del plan por el total de los gastos del cuidado médico recibido. Si esto sucede, usted debe enviarnos la factura junto con toda la documentación de cualquier pago que haya realizado para que sea considerado. Envíe su petición por correo junto con cualquier factura y recibos a:

Alignment Health Plan
Atte.: Departamento de Membresía
1100 W. Town and Country Rd., Suite 300
Orange, CA 92868

Si decidimos que el cuidado médico no está cubierto, o que usted no siguió todas las normas, nosotros no pagaremos nuestra porción del costo. En cambio, le enviaremos una carta que explica los motivos por los cuales no le enviaremos el pago que solicitó y sus derechos de apelar la decisión.

Debe utilizar los proveedores del plan, excepto en una emergencia, situaciones de cuidado urgentes, diálisis renal fuera del área, u otros servicios. Una emergencia médica puede incluir dolor severo, una herida grave, una enfermedad repentina, o una condición médica que se está empeorando rápidamente. Cuando usted tiene una emergencia médica, usted cree que su salud está en grave peligro. Cuando usted tiene una emergencia médica, usted cree que su salud está en peligro. Usted puede obtener servicios de emergencia del proveedor más cercano disponible, y usted puede obtener servicios urgentemente necesarios de cualquier proveedor calificado cuando está fuera del área de servicio del
